

In this time of tragedy, our community comes together to help and heal.

A generous outpouring of support resulted in the creation of two funds: the Troop #3055 Memorial Fund and the Autumn Helgeson Memorial Fund. These Funds are housed at the Community Foundation and we are coordinating our work with the individual fund holders to honor those involved in the most meaningful way possible.

Donations to these funds can be made directly to the Community Foundation of Chippewa County and sent to P.O. Box 153, Chippewa Falls, WI 54729 or through an online donation at [Donate](#).

Stay Strong & United Chippewa County.
